

Just Cant Get Enough

Both down-home sweet and seductive, Cheris Hodges new novel is about breaking the rules, going back home. . .and finding more than your hearts desire. . . Celina Hart had security, a steady job, a predictable fiance. . .and nothing that was making her truly happy. She gave it all up to gamble on her talent, and found success shed never imagined as one of New Yorks hottest painters. But when she returns to her South Carolina hometown to care for her ailing father, she gets an even bigger surprise. That bow-legged neighbors boy she used to play with has grown up into Darius McRae, a lawyer who gave up the D.C. fast-lane to get back to his roots. Now, Darius dark-chocolate build and slow, easy smile are proving to be just as tempting as any city lights. . . The last thing Darius was looking for was a relationship. Hed been burned by too many women who put finance over romance--including his conniving ex-girlfriend Cortina. But Celinas sense of humor and unpretentious ways are igniting more than his passions. And when Cortina starts stirring up a mess of trouble, Darius will do whatever it takes to show Celina a home-grown love is a dream worth everything. . .
