

The Burden of Desire (Harlequin Romantic Suspense)

Former lovers become partners in Natalie Charles' new novel of the perfect crime. On the eve of trial, prosecutor Sally Dawson has all the evidence she needs to convict a man of killing his wife until the victim reappears. Now, alone and pregnant, to save her career she must trust the very man who broke her heart: her sworn enemy, Ben McNamara. The case confounds Ben, a former marine JAG, but not the attraction budding between him and Sally. Their mutual desire never died. Can Ben prove to her that he's a changed man? He may never get the chance, because the closer Sally gets to the surprising truth, the closer she gets to a desperate killer.
