Beauty In Trouble + Incredibly Sexy And Mysterious Cowboy + A Tragedy That Changes It All = Hot And Healing Cowboy Romance! After years of misery, Madelyns life is about to become everything she has never allowed herself to hope for. Looking at the mirror, the young and beautiful bride cant help but smile big. Mr. Blake Downing is all a woman could ask for in a man. A kind gentleman, a sweet lover, and above all, Madelyns very own knight in shining armor. Just when the naive damsel starts believing that the reality of her married life is even more beautiful than the fairy tale shed imagined, a single night changes it all forever. If losing everything wasnt enough to make her give up on this happy-ever-after, Madelyn is further shattered when she faces humiliation and rejection from the only hope left: her family and friends in the town shed grown to love. Felix Husdon, is one wealthy rancher, who seems to have no sympathy for anyone, even if its a young woman as vulnerable as Madelyn. Life has taught this tough cowboy a few important lessons, and never trusting women is one of them. Inarguably hot and irresistibly sexy, Felix knows what effects his good looks have on women. Perhaps, this explains why the wealthy rancher always finds way to blame beautiful faces for all the wrongs in the world. So, when fate chooses this spirited young woman from a small town as his secretary, the cold and reserved boss will have a tough time resisting to open the closed doors to his heart again. Sure, Madelyn is his distractingly beautiful secretary but shes also the first woman to get away with an insult by saying something flattering. Will Madelyn give love another chance, especially when shes already vowed to never trust or love a man again? Its only a matter of time when Madelyn finds out what life has in store for her this time. Is Felix Hudson the man to complete her happy-ever-after? Or, will

demons from her past ruin it all over again?
