Linda Daviss local fabric shop is a place where women gather to share their creations: wedding quilts, baby quilts, memorial quilts, each bound tight with dreams, hopes and yearnings. Now, as her only child readies for college, Linda is torn between excitement for Molly and heartache for herself. Who will she be when she is no longer needed in her role as mom? As mother and daughter embark on a cross-country road trip to move Molly into her dorm, Linda pieces together the scraps that make up Molly's young life: the hem of a christening gown, a snippet from a Halloween costume. And in the stitching of each bit of fabric, Linda discovers that the memories of a shared journey can come together in a way that will keep them both warm in the years to come.
