Hailed as the reigning queen of womens fiction (The Sacramento Bee), number-one New York Times best-selling author Debbie Macomber is renowned for her novels of love, friendship, and the promise of fresh starts. Now Macomber returns to the charming Rose Harbor Inn, where each guest finds a second chance and every room comes with an inspiring new view. Since moving to Cedar Cove, Jo Marie Rose has truly started to feel at home, and her neighbors have become her closest friends. Now its springtime, and Jo Marie is eager to finish the most recent addition to her inn. In memory of her late husband, Paul, she has designed a beautiful rose garden for the property and enlisted handyman Mark Taylor to help realize it. She and Mark dont always see eye-to-eye - and at times he seems far removed - yet deep down, Jo Marie finds great comfort in his company. And while she still seeks a sense of closure, she welcomes her latest guests, who are on their own healing journeys. Annie Newton arrives in town to orchestrate her grandparents 50th wedding anniversary celebration. While Annie is excited for the festivities, shes struggling to move on from her broken engagement, and her grandparents themselves seem to be having trouble getting along. Worse, Annie is forced to see Oliver Sutton, with whom she grew up and who has always mercilessly teased her. But the best parties end with a surprise, and Annie is in for the biggest one of all. Rose Harbor in Bloom is Debbie Macomber at her heartwarming best.
