

Law of Attraction - The Missing Links Part 1

After long years of applying deliberately the law of attraction there was something missing for me. When the positive affirmations, visualization and believing don't work, maybe you should go deeper in your soul for the answer. In the first part of this eBook I explain the two missing links that made it possible for me to attract my desires into my life. If we want to use the law of attraction successfully we shouldn't suppress our emotions. Are the bad feelings really bad? What is the secret of creating a better reality, our dream reality from the negative circumstances? This book offers you insight into these questions. At the end of the eBook there is an exercise which helps you recognize where your energies became stuck.
