

## Darkening (The Dark Side)

Who knows where pain ends and pleasure begins? The chance of a new life out in the wilds of the Yorkshire moors sounds too good to be true to shy musician Eva Byrne. Stifled and smothered within the cocoon of her brilliant academic career, Eva yearns for something different. Something real and exciting. Something she can feel. Excitement. Passion. Pleasure. She finds that sexy, enigmatic Nathan Darke can provide all these and more when she moves into his home as violin tutor to his young daughter. But Eva's sensual encounters with her demanding, domineering new employer quickly evoke her deepest fears, as he introduces her to the trauma of submission and marks her with his particularly dark brand of love. But will Eva's natural curiosity and thirst for new experiences be enough to withstand the sting of Nathan Darke's exquisite touch? Will simple surrender be enough as he challenges her every inhibition, taking her on an erotic journey of self-discovery and liberation?
