

# Female Intelligence

Lynn Wyman has a wildly successful practice in sensitivity training, teaching men how to communicate better with the women in their lives. Little does she know that her sensitive husband has been communicating with another woman--in the bedroom...With a marriage on the rocks and a career in nose-dive, Lynn is in desperate need of a life make-over. She finds it in Brandon Brock, the macho CEO on the cover of Fortunes magazines Americas Toughest Bosses issue. To restore her reputation, all she has to do is snag the notorious chauvinist as her new client, take a cue from My Fair Lady, and turn this pig into her own Pygmalion...The perfect plan? Not so fast. Somebody has been out to sabotage Lynns happiness, and before she can reclaim her career--and her herart--shed better figure out who it is..

MEN have a higher IQ than women because they have bigger brains, according to new research. Accelerating Feminine Intelligence (F.I.) using Spirit, Science, & Technology. An innovation accelerator of the future. Yes, that is what the studies indicate. \* A survey in Science found that 35/37 studies showed greater variance among males: A new study examines how male and female undergraduates in a biology class perceive their own intelligence, compared with that of their This study attempts to investigate male versus female intelligence among undergraduate Iranian students at Malaysian universities. Although almost period of In this episode, women working in cybersecurity intelligence share the challenges they face and advice for navigating what is still a Girls overrate their intelligence. I explain why female intelligence is overblown, overrated and why most intelligent girls arent. There are many tests of emotional intelligence, and most seem to show that women tend to have an edge over men when it comes to these basic skills for a Female Intelligence [Jane Heller] on . \*FREE\* shipping on qualifying offers.
