

In My Arms (Philadelphia Series)

Hes deliciously handsome and completely arrogant. Exactly the last thing Ava needs on her first night out following her bad breakup. New to the Philadelphia area, Trevor is instantly taken with Avas beauty and witty attitude. After sharing an unexpected but amazing kiss, Trevor manages to stick his foot in his mouth and watches as Ava walks out of his life before he has a chance to explain. When the two unexpectedly cross paths again, they struggle with the undeniable chemistry between them. Ava fights to keep it platonic, afraid to get hurt again, as Trevor sets out to change her mind. With a little bit of humor, a lot of drama, sexual frustration, dancing and plenty of alcohol, Ava realizes that Trevor just might actually be perfect for her.
