Even a hero needs someone to believe in him... Parkour instructor Maura Maxwell has always denied her attraction for her bachelor neighbor because she's seen his revolving door of women and doesn't want to become another notch on his belt. But the man who rescues her from a sudden storm isn't the one she thinks she knows - he's Master Chief Declan Swifton of SEAL Team Five, and he literally sweeps Maura off her feet. The man who returns is facing the toughest fight of his life, and he needs Maura by his side more than ever...
