

This book is now also available in large print. The Science of Getting Rich is Wallace D. Wattles' masterpiece; more than just another book on making money, it is a book of distilled wisdom that guides the reader towards both acquiring wealth, and living a more fulfilled life. One of the inspirations behind Rhonda Byrne's The Secret, The Science of Getting Rich employs techniques including the Law of Attraction in a simple and straight forward manner that can be understood by all. Perhaps this book is best described by Wallace D. Wattle himself: There is a science of getting rich, and it is an exact science, like algebra or arithmetic. There are certain laws which govern the process of acquiring riches; once these laws are learned and obeyed by any man, he will get rich with mathematical certainty.
