Spartans do it with discipline. Biting Love Book 3 Times Square on New Years Eve. A million partiers chanting the final seconds. This year, its a countdown to death. My name is Twyla Tafel and Ive uncovered an insane plot to unleash berserk vampires on those unsuspecting revelers. But Nikos has issues, if you know what I mean. Roadblocks in his psyche that say stop when all I want is go-go-go. See severely hot, above. Although if I finally break through Nikos reserve, I may get more than I bargained for. Hes seriously big, seriously built, and more than just a tad dominant. Still, its time to push my limits and find out who I really am, so Im willing to try...I think. Im sure. Im mostly sure. Until he starts stalking me with those sable bedroom eyes and long, sharp fangs--!
