

Crushed (Breaking the Rules Series) (Volume 5)

A novella... Jackson and Andi have been through a lot. Against all odds, two broken people found each other and somehow became whole. Life should be perfect for them. But its not. In fact, life is really hard. All Andi wants is to grow her family, but failure after failure sends her hurtling into a deep depression. Jackson only wants Andi to be happy. So when their dream of having children starts to become a reality, things begin to look up for them. Unfortunately, life throws them another curveball and they begin to drift apart. Andi hits an all-time low, and the strength of their marriage is tested. Will Jackson be able to fix the broken pieces of Andi? Or will she be too crushed to ever be put back together again? This is book five in the Breaking the Rules series. While this can be read as a standalone, it extends the story from the characters in the first book, Broken.
