

Dancing with Dragons (Never Deal with Dragons Book 2)

Book Two of the Never Deal with Dragons series...If Carol Jenks knows anything, its fashion--and its not in fashion to consort with dragons, even though theyve coexisted with humans since World War III. Still, she would never have agreed to take part in a plot against them. Now a dragon lord has called for her head, her boyfriend is MIA and shes been abandoned in a foreign country.Only reporter Daniel Wallent is on Carols side...sort of. He offers his assistance if she helps him investigate his latest story. Hell need Carols language skills to infiltrate in the organization run by one of the most dangerous and secretive dragons in the world.Escaping one sociopathic dragons claws only to walk into anothers is an insane risk--and so is falling for Daniel. Posing as his blushing--and very affectionate--new bride as cover soon leads to an all-too-real attraction. But fighting off dragons and her desire for Daniel may be more of a challenge than Carol can handle...
