[BookStrand Paranormal Romantic Suspense, HEA] Bidy Calder is a young woman on the run from a terrible past. She breaks down in a small town and ends up stuck. She makes some friends and also meets a man, the local sheriff. The fears she developed from her past hinder the budding romance. Sheriff Ramon Clark was smitten the first time he laid eyes on the young Bidy. She is generous, sweet, achingly innocent, but he can tell she's hiding something. He gently works on her defenses and once they've made a little headway a threat from the past shows up. Will Bidy be able to stand up against her past or will it destroy everything she has worked so hard for? NOTE: Heroine is raped during the story. It is not intended for titillation and is not described in detail. ** A BookStrand Mainstream Romance
