Book 5 of the Best-selling Full Circle Series Alexana is willing to risk her life to make history. And nothing--not even love--will stand in her way. As supervisor of the historically significant Solomons Stables dig, archaeologist Alexana Rourke--grad school friend of Dr. Christina Alvarez (Treasure)--knows she is in serious danger. Yet she is determined that nothing will impede her excavation under the Temple Mount, not even the concern of handsome, world-renowned news correspondent Ridge McIntyre. Her stubbornness, however, could well cost Alexana a future with the man she loves--and possibly even her life.
