

Turners Triumphs: Edward Turner and His Triumph Motorcycles

A biography of the man who was probably the most important individual in the history of the British motorcycle industry. Including many photographs from the Turner family's collections, this book gives you the inside story on Turner's life and how he found the inspiration to come up with so many innovative and successful motorcycle designs. From the Speed Twin to the Tiger, from the Thunderbird to the Bonneville, these Turner creations helped Triumph live up to its advertising slogan, The Best Motorcycle in the World.
