

Kalia's life was boring and predictable. Her one rebellious act ends up with her being alone and pregnant with no one to turn to except the sexy, gorgeous Talon. The first time Talon catches Kalia's scent he knows she's meant to be his. There was just one problem. Garret. Talon's mate. Garret doesn't want another mate. One is enough. He doesn't have room in his life for anyone else. Especially someone so fragile. But there is something about Kalia that pulls him toward her. Something he simply cannot ignore. Warning: Contains a grumpy Alpha male, a sexy wolf shifter and a heroine who finds her happy ever after.
