A dark new adult romance... Eighteen-year-old Danni Warren has big plans for her last summer before college: a cool job, a concert she wouldn't miss for the world, and spending time with her beautiful girlfriend, Esme. But after one hell of an argument, Danni's mother packs her off to stay with her estranged step-uncle, Gabe, in his lodge on the English coast. So begins a weekend of the worst punishment imaginable: no phone signal. With his sun-kissed good looks and sarcastic manner, twenty-nine-year-old Gabe Asher isn't anything like Danni expected. She wants to hate him for her punishment for standing up to her mother, but between surfing lessons and beach hikes, Gabe and Danni grow close. Maybe too close. Now Danni is questioning everything: old family secrets, her future, her strained relationship with Esme. One sun-stained afternoon, Gabe and Danni go too far. And then everything else falls apart. Warning: mature content
