

Unforgettable You (Me, You, And Us Series Book 2)

For Sheila, a lie is a deal-breaker. But what if its not a lie? What if its just not the whole truth? Being a popular Dom at the nicest BDSM club in town would be the top of the mountain for lots of guys, but for Steffen Cothran, its meant heartache. He lost someone he thought he might be able to have a future with to his best friend when Trish Stinson and Clint Winstead patched things up. He knows he wants a relationship, but so far hes had trouble finding that one person, the one he knows hes meant to be with, to make that happen. That all changes when Trish and Clint walk into the club with Trishs best friend, Sheila Brewster. Even though hes met her, he never really had much contact with her. But Clint has a plan: Hes looking for a Dom to protect Sheila in case her abusive ex-boyfriend manages to get paroled. And Clint happens to think that Steffen is a great candidate for that position. Steffen and Sheilas relationship starts casually and quickly grows into a promising romance. But one question makes all the difference, and when Steffen doesnt lie but doesnt tell the whole truth with his answer, Sheilas left wondering if she can ever trust anyone again. And when Steffens little omission shows up on his doorstep in full-blown chaos, the relationship hed had such high hopes for is shattered, possibly forever. In the aftermath, Sheila sets a course for self-destruction that turns out to be more dangerous than anyone couldve imagined. With no one to blame but himself, Steffen finds it hard to help a woman who wont have anything to do with him. Two broken hearts. One huge mistake. A few really bad choices. And a lifetime of pain if things cant be righted. It may be impossible to mend the broken trust, and their love could be lost forever. The second in the Me, You, and Us series following Adventurous Me, Steffens story in Unforgettable You is funny, smart, sweet, kinky hot, and heartbreaking. Its a tale of what happens

when you forget that there's not a lot of difference between a lie and a partial truth, and what love really means when two people belong together. WARNING: This book contains explicit sexual situations in graphic detail. Not intended for readers under the age of 18. Reader discretion advised.
