

Chasing Dreams: A Devils Bend Novel (Volume 1)

Cooper Krenshaw knows what its like to feel the bright lights upon him, the sound of the crowd roaring when he walks on stage; after all, he happens to be one of the biggest names in country music at the moment. And he has knowingly just dropped off the grid. The first decision he has made on his own in quite some time. Cooper only thought he was looking for a challenge when he walked off of that concert stage in Chicago. After finding himself in Devils Bend, Texas, he soon realizes that the dream hes been chasing might not be the one he was after all along.

Now hes found himself not only starting over in a new town, but hes pretty sure hes met the toughest challenge of his life... she just happens to be an angel in blue jeans. Tessa Donovan hasnt been the best of friends with Fate for quite some time now. Owning and operating The Rusty Nail, a small bar in her hometown of Devils Bend, has been enough to keep her going through the motions of her life. But its the only thing shes got. After losing her husband fifteen short months after they were married, Tessa has spent the last four years chasing dreams in order to maintain her sanity. Only those dreams are soon ripped right out of her grasp by a sexy country music star who claims he descended on her small town by accident. Coincidence? Or has Fate stepped in once again? Whatever the case, Tessa knows the handsome cowboy might get to overtake her dreams, but shes bound and determined that he wont take her heart.
