Wanderlust by Kitty French Ruby has been in love with Ford since their university days, but she hasn't seen her former best friend in years--not since the one unforgettable kiss they shared right before he went off globe-trotting and she stayed behind. When he returns to town unexpectedly for their friends New Years Eve wedding, the sparks between them ignite, but can her wanderer ever settle down? Ford has never forgotten Ruby, or the kiss that changed everything between them, despite the many women he has tried to erase her with. His return to England for the wedding means a second chance with Ruby--but will one passion-filled evening with her be enough, or has he finally found his home?
