

Her Christmas Bonus

New Adult Romance A Sexy Contemporary Romance Novelette Sage has been working at a high-tech firm in Newport Beach, CA for over two years as the only female director among three men. She is highly valued by her boss and she loves her job, but theres a problem - shes totally attracted to him and the stress is killing her. Shes taking three days off for the Christmas holiday and has posted her availability online, hoping to find a job when she returns. Before she can leave, she has to find her cell phone and she doesnt know where she left it. Terrance is the founder and owner of Templeton Designs and considers Sage so valuable to the company, he cant afford to acknowledge the feelings he has for her. Hes stuck at the company this year when normally he would be enjoying the holiday in a warm, tropical location. It may be the year he finds a way to acknowledge the woman who holds his heart captive.
