

Whatever It Takes: A Trust No One Novel

All three parts in one volume! Fans of Cindy Gerard and Jaci Burton will love the next thrilling novel in Dixie Lee Brown's suspenseful Trust No One series. Assassin Alex Morgan will do anything to save an innocent life—especially if it means rescuing a child from a hell like the one she endured. But going undercover as husband and wife, with none other than the disarmingly sexy Detective Nate Sanders, may be a little more togetherness than she can handle. She's used to working alone, and no man is going to change that—not even a man who makes her heart pound and her defenses crumble with just a touch. Nate has dodged more than a few bullets over the years, but fighting his attraction for Alex may be the bullet that does him in. Still, Nate's determined to help her find the missing kid. There's no doubt in his mind that they're walking straight into danger, but Nate's willing to face anything if it means protecting Alex. She might have been on her own once, but Nate has one more mission: to stay by her side forever.
