

## In the Lyrics

Hensley Bradley is the definition of the girl-next-door. Shes kindhearted, beautiful, and talented. Bored with her mundane life, thoughts of fleeing her small town begin to consume her. With aspiring dreams to use her voice as a one-way ticket, she suddenly discovers that music might not be her only passion. After a fallout back home, Colby Grant decides to leave his familys farm, determined to show his father hes more than just a wanna-be country singer. With his All-American good looks, it doesnt take long for girls in his new town to focus their eyes on him. But things arent what they appear from the outside, and it isnt long until Colby feels he doesnt fit into the perfect world that so quickly embraced him. A chance encounter places Hensley in Colbys path, but it isnt her natural beauty that first captures his attention its her voice. When love and music mix, will the combination blossom into a beautiful melody or wither into a heart-wrenching tune? Warning: This book is intended for readers 17+ due to explicit language and sexual encounters.
