

White Lilies: The Mitchell Sisters Book Two

Fate ... Faith ... Family Skylar Mitchell didn't believe in any of them. She never wanted a real boyfriend. She never wanted her own kid. When she watched her sister get destroyed by the man she loved, she vowed it wouldn't happen to her. Don't fall in love. Don't become attached. Don't let yourself feel. Easy, right? Griffin and Erin Pearce had the perfect life. With the perfect house. And the perfect jobs. What they didn't have was the perfect baby. Skylar never counted on meeting Erin. She never imagined finding this wonderful best friend who would change the way she looked at the world. And she certainly never dreamed of falling in love with her best friend's husband. Especially while being their surrogate. She also never counted on fate ripping everything away from her. A story about unconditional love, heartbreaking loss, and undying friendship.
