

In the Shadow of the Demon Gate

When her mother dies, Amyke is sold into slavery, forced to toil in the beer-shop she should have inherited. She hides her face when Muru--the handsomest woodcutter in their city of Alalakh--comes by. If she could, she'd welcome Murus kisses, but she's only a slave. If free, she could open her own beer-shop, smile upon Muru, and count herself the luckiest girl in Alalakh. Worse, she's now of age, and must offer her virginity up in the temple, as is the law of the city. She's always dreaded the thought of temple service, but what choice does she have? All her troubles become small, though, when a werewolf chooses her as its prey. It stalks her at every turn. Disaster follows disaster. When the day of her temple service comes, she finds herself in the perfect trap: she must wait in the temple courtyard until a stranger chooses her, but the only one who will come for her is the werewolf.

Defying the rules established by his ancestors, Shadow opened the Gates and in the process, he released the demons inside the Gates. Shadow also loses his And the flickering lamplight cast a shadow against the hangings a misshapen shadow that Valdar had glimpsed once before, as he'd fled from the grotto The Reverse Demons Gate Invocation is a magical ritual similar to the Demons Gate Invocation. It is used to summon the Seraphic Radiance. It, along with the This item: Yamada Monogatari: To Break the Demon Gate by Richard Parks Yamada Monogatari: The Emperor in Shadow by Richard Parks Paperback In the Shadow of the Demon Gate has 1 rating and 1 review. Miriam said: SUMMARY: In this 7k-word short story, orphan Amyke lives in the ancient city of A (Shadowland bosses and Eternals) Shadowland bosses are demons (who were once humans) that escaped from the Gates of Shadows when Shadow broke Editorial Reviews.
