

Sitting in Bars with Cake: Lessons and Recipes from One Year of Trying to Bake My Way to a Boyfriend

Its hard to meet people in a big city, let alone any city. And after living in LA for several years as a single lady, Audrey Shulman turned to baking. But rather than eating her cakes solo over the sink, she brought them to bars, luring guys with a heady dose of butter and sugar. Sitting in Bars with Cake recounts Audreys year spent baking, bar-hopping, and offering slices of cake to men in the hope of finding her boyfriend (or, at the very least, a date). With 35 inventive recipes based on her interactions with guys from all walks of life, from a Sticky Maple Kiss Cake to a Bitter Chocolate Dump Cake, this charming book pairs each cake with a short essay and tongue-in-cheek lesson about picking up boys in bars.
